Fucking you and the fundraiser you rode in on

by SHUTTLER

The most important no is not to cope with it. The most important no is to say it. The most important no is to say the word “NO” at the moment it’s needed.

The most important no is not to give in to the pressure of saying yes. The most important no is to say no to something you don’t want to do. The most important no is to say no to something you know is not right.

The most important no is not to let yourself be taken advantage of. The most important no is to say no to something you know is not fair. The most important no is to say no to something you know is not right.

The most important no is not to let yourself be manipulated. The most important no is to say no to something you know is not true. The most important no is to say no to something you know is not good for you.

The most important no is not to let yourself be persuaded. The most important no is to say no to something you know is not right. The most important no is to say no to something you know is not true.

The most important no is not to let yourself be influenced. The most important no is to say no to something you know is not fair. The most important no is to say no to something you know is not right.

The most important no is not to let yourself be convinced. The most important no is to say no to something you know is not true. The most important no is to say no to something you know is not good for you.

The most important no is not to let yourself be persuaded. The most important no is to say no to something you know is not right. The most important no is to say no to something you know is not true.

The most important no is not to let yourself be influenced. The most important no is to say no to something you know is not fair. The most important no is to say no to something you know is not right.

The most important no is not to let yourself be convinced. The most important no is to say no to something you know is not true. The most important no is to say no to something you know is not good for you.

The most important no is not to let yourself be persuaded. The most important no is to say no to something you know is not right. The most important no is to say no to something you know is not true.

The most important no is not to let yourself be influenced. The most important no is to say no to something you know is not fair. The most important no is to say no to something you know is not right.

The most important no is not to let yourself be convinced. The most important no is to say no to something you know is not true. The most important no is to say no to something you know is not good for you.
